Mr. William N. Morell, Jr.  
Director  
Research and Reports  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Mr. Morell:

I greatly appreciated receiving your very excellent memorandum on the impact of a strategic arms freeze on Soviet military budgets. The study will be most helpful to me and to others as we grapple with this complex problem.

Thank you.

Sincerely,

A handwritten signature in dark ink, appearing to read "John T. McNaughton", is written over the typed name. The signature is fluid and cursive.
